

Arts Programme

Learning through Art and learning from the Arts

Learning through Art and learning from the Arts

Francophonie offer cultural stays which bring together here, in Nice, artists, professionals and teachers of the same specialisms from all over the world. Our Art Stays are available on request and according to your needs. We offer four types of course:

Theatre and cinema

Music

Visual Arts (painting, drawing...)

Sport

Tailor-made courses on request for an unforgettable learning experience

Francophonie will organise according to your requirements a tailor-made course packed with encounters with French cultural experts in the domain you are interested in, visits to significant places, or cultural systems or even arrange shows and special viewings.

French Lessons on request for all levels and as needed

Theatre and Cinema Programme

We offer a tailor-made programme on request involving encounters, visits or lessons about theatre and cinema.

For your course we can offer :
